

# ONERAHI PRIMARY SCHOOL

## Ka Ako, Ka Ora // Healthy School Lunches

We are part of the Ka Ora, Ka Ako / Healthy School Lunches programme. This means each day every student will receive a free meal in the middle block (between 11:30am and 1:30pm.) This, along with school supplied stationery and no school donations, is another step towards being a truly equitable and inclusive kura. We collect dietary requirements to ensure the kai is appropriate to your child's needs. Your child will still need a small snack for morning tea, something healthy to get them through to the middle block. As this programme rolls out we would love to receive your feedback on how it is going.

Students were heavily involved in the process of finding a supplier and making sure they would provide kai that is appropriate for all students. Our current supplier is Lunch By Libelle. They promise:

- Nutritionally balanced, healthy school kai!
- 100% local staff, empowering people in the community!
- Regularly updated menu selection!
- Fresh lunches made every day!
- Honest & open communication with opportunities to give feedback!

For more information, to see their menus or to sign up to the Lunch By Libelle newsletter, head to [www.lunchbylibelle.co.nz](http://www.lunchbylibelle.co.nz). Alternatively, check out the Lunch By Libelle Facebook page at <https://www.facebook.com/lunchbylibelle>
