

**MEDIA RELEASE Form**  
**Internet, Media & Publication**

Onerahi School uses a variety of technologies, apps and forums to enhance student learning. These include:

- Devices such as Chromebooks and iPads
- Class Dojo app for classes, individual learners and family/whanau
- Individual google accounts (from years 4-6)
- OPS Newsflash via link share on a private YouTube channel
- In-school & Broadcast TV
- Newsletters, mail and yearbooks
- Publicity or promotional material published for the school's benefit
- Our school website, app and official Facebook page

As well as receiving images and content via these media, the school publishes examples of students' work and images of students or groups of students participating in school activities.

The school will not publish a student's image or work without written authorisation from the student's legal guardians at the time of enrolment. The school will immediately remove all material relating to a student from its publications if requested by the legal guardian. Approved visitors to the school may from time to time take pictures related to their professional development which include non-specific images of students.

Please complete this form and understand that by giving permission, any work completed by my child including images of my child can be used for present and future use.

---

I have read and understood the media release introduction.

I give permission for my child's images both moving and still, including work produced by my child, to be published in the forms listed above. This content will continue until I withdraw my consent by notice to the school.
