

Te Kura Tuatahi o Onerahira

STRATEGIC GOALS 2024 – 2025				
The strategic direction of Onerahi School was reviewed in 2023 with a comprehensive consultation process with key stakeholders.				
At Onerahi School the aim is to create an environment that is positive and inclusive. Through a sense of family and whānau, everyone is encouraged to belong, to contribute, and to grow themselves as productive members of society. In essence Onerahi School is a place to thrive for tamariki, whānau and kaimahi. Onerahi School is committed to enacting the principles of te Tiriti o Waitangi and understand that this has implications in all of our practice.				
The school is guided by the National Education and Learning Priorities.				
Objective 1: Learners at the Centre	Objective 2: Barrier Free Access	Objective 3: Quality Teaching and Leadership	Objective 4: Future of Learning and Work	Objective 5: World Class Inclusive Public Education
This is a safe and inclusive environment, free from racism, discrimination and bullying. High aspirations are held for all, responding to the needs	Education opportunities are available to all ākonga as they gain sound foundational knowledge and skills.	Te reo Māori me ona tikanga is meaningfully incorporated into everyday practice. Staff skill and knowledge is developed across the school.	Relevant learning to the lives and futures of ākonga is a priority.	School practices are sustainable and trusted.

of ākonga and sustaining their identities, languages and culture.
